**Pallbearer Committee**

**Take a moment to read this:**

Are you a shift worker or retired? Would you like a way to serve your Council? Consider volunteering for the **Pallbearer Committee**. The Council has been providing a unique service to the Columbia Area for over 40 years.

When a loved one passes away some families are hard pressed to find pallbearers for the funeral. Enter the KofC Pallbearer Committee. We work very closely with the directors at the Clyde Kraft Funeral Home, Inc. When we get a call for assistance our members are contacted for their availability.

The committee is always looking to expand its membership. We have lost some members due to health, job changes, death, etc. On average our service is requested about 10 funerals a year. Burying the dead is a Corporal Work of Mercy.

What's required? Depending upon the type of service time may vary from one to two hours. This includes the internment at the cemetery. So it doesn't require a lot of your time. Out of respect for the deceased and family our members are usually attired in a shirt, tie, sport coat or suit.

If this sounds like something you might be interested in call Brother Ed Wickenheiser for more information at **684-2995** or email [edwick103@comcast.net](mailto:edwick103@comcast.net).

Dear Brother Knights,

I am excited to be starting my term as Grand Knight of the Columbia council. I am hoping to build enthusiasm for our council and participation in different events for our council and home association events. To kick things off we will have our annual August meeting at Steve Nickolaus' house and a family picnic at the end of the August at the council home. We are also looking to renew our family dinner fundraisers so please consider helping out!

As always if you have any concerns or suggestions please feel free to email me. My email is [ruiggy@gmail.com](mailto:ruiggy@gmail.com). However, if you write to complain I would like you to include two suggestions on how to correct the problem.

Again, I am excited to begin my term as your Grand Knight and am looking forward a prosperous future for our council.

Fraternally,  
Mat Panyik  
Grand Knight

FROM THE DESK OF YOUR DEPUTY GRAND KNIGHT: HAL SNYDER

### **Ways to Pay for Whole Life**

We live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with the public in mind.

At the Knights of Columbus, every product we offer has been designed solely for the benefit of our members and their families. When I present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

That said, we have a few options on how you can provide and pay for the whole life coverage that your family needs. Many whole life policies call for premiums to be paid for your entire life or to age 100. But we also offer permanent life coverage with guaranteed cash values (and the potential to earn dividends, which are not guaranteed) through policies that offer a limited period of premium payments.

First, we offer “10 Pay Life” and “20 Pay Life.” Consider paying premiums for 10 or 20 years, and never having to pay for the coverage again. The plan is “paid up” and no more premiums are due. The plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

A plan with similar benefits is “Life Paid Up at 65.” The difference over 10 or 20 Pay Life plans is that this permanent product requires you to pay premiums until age 65. Then, premiums stop (just in time for retirement), but the plan remains in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance – permanent life insurance – and only paying one single premium? It's possible.

To learn more about these products, our long-term care insurance or retirement products, please call me today.
